File #1,992O1031 - Audio File of Professor Abraham Van Helsing recorded on Dr. Jack Seward's phonograph.
(Originally recorded: 30 September, 1893)

Van Helsing:

"The only way to destroy a vampire is to drive a wooden stake through his heart, then decapitate it, stuff garlic in his mouth, and burn the remains.

I know what I'm saying sounds crazy but we must keep an open mind. Remember: the greatest strength of the vampire is that people will not believe in him."
