

Transcript - Audio Transmission from SS Demitry - July 18, 2012

Unidentified Male Voice:

"Mayday! This is the Demitry. We're adrift. Captain and all crew are dead. Repeat: Mayday! We brought something up from the U666. It's killed everyone. Last known coordinates 39.82, -72.31
It's looking for me. I think it can smell my blood.

I think I hear it... oh God. It can hear me. It knows I'm hee--"

(some sort of wild animal sound & male voice scream heard)

-----End of Transmission-----
